• Increasing Capacity to Meet Rising Demand •

Organized by:

LPG/CNG VIETNAM FORUM 2017

Increasing Capacity to Meet Rising Demand

19-20 SEPTEMBER 2017 • NIKKO HOTEL, HO CHI MINH, VIETNAM

ABOUT

According to the Vietnam Petroleum Institute, domestic LPG consumption is expected to grow by an average of 8% per year for the next 5 years, reaching 2.2 Million Tons by 2020. LPG production from domestic refineries as well as increasing supplies from LPG supply projects being developed by PVGAS is expected to meet over 80% of domestic LPG demand by 2020, following through on a government master-plan for LPG use.

Against this positive backdrop, the LPG Summit will be organizing the LPG/CNG VIETNAM FORUM 2017 on the 19 - 20 September 2017, bringing together critical players in the Vietnamese LPG and CNG market to learn more about plans to increase domestic production, encourage a safe and sustainable marketplace and support infrastructure and capacity building in growing Vietnam's LPG market.
